

BE SAFE, BE SURE, LOOK FOR THE CALOR GAS SEAL OF QUALITY AND SAFETY.

These cylinders have not been filled
by Calor Gas

You're Guaranteed:

- 13 Point Calor Safety Check 
- A properly filled cylinder 
- A quality product 
- Unique Calor Red Seal of Safety and Quality 

Always put your safety first. If you don't see the red Calor safety seal don't do the deal.

At Calor Gas we ensure that the filling of our cylinders follows rigorous safety and quality standards every time we fill.

Beware of Calor gas cylinders that don't have the red Calor safety seal, as these may not meet our safety standards.

For quality and safety always ensure you buy your cylinder gas from an authorised Calor retailer.

For more information or to find your local authorised Calor Gas retailer, visit www.calorgas.ie or telephone: 1850 812 450.
