# PRODUCT RECALL

Unipart is issuing a product recall on any Royal Classic, Calor Classic and Calor Compact portable gas heaters purchased after 1st August 2010.

A small number of products have been malfunctioning, which could lead to the heaters emitting carbon monoxide marginally above the allowed levels.

Any customers who have purchased one of these heaters after 1st August 2010 should immediately switch off the heater and return it to the point of purchase.

Please call the dedicated hotline for a replacement product\* or refund.
